# ABOUT US

Seven Ocean Bunkering Pvt. Ltd. is a dedicated bunker procurement and management firm supporting the maritime industry with reliable, compliant, and transparently executed fuel solutions. Serving ship owners, ship managers, and charterers across key global ports, we streamline the complete bunkering process—from sourcing competitive offers and validating supplier credibility to coordinating smooth physical delivery. Our strength lies in an expanding network of trusted physical suppliers, rigorous market intelligence, and disciplined operational standards that ensure consistency, efficiency, and risk-controlled execution for every enquiry.

With a focus on long-term value, we combine relationship-driven service with corporate-level governance, maintaining clear documentation, direct supplier engagement, and strict adherence to international marine fuel quality and safety norms. Our team is committed to supporting clients through evolving market conditions, regulatory changes, and operational complexities by offering timely insights, reliable planning, and a service model built on integrity and accountability.

# GLOBAL POSITIONING

350+ Ports

70+ Countries

200+ Physical Suppliers

# OUR OFFERINGS

## Bunker planning and procurement

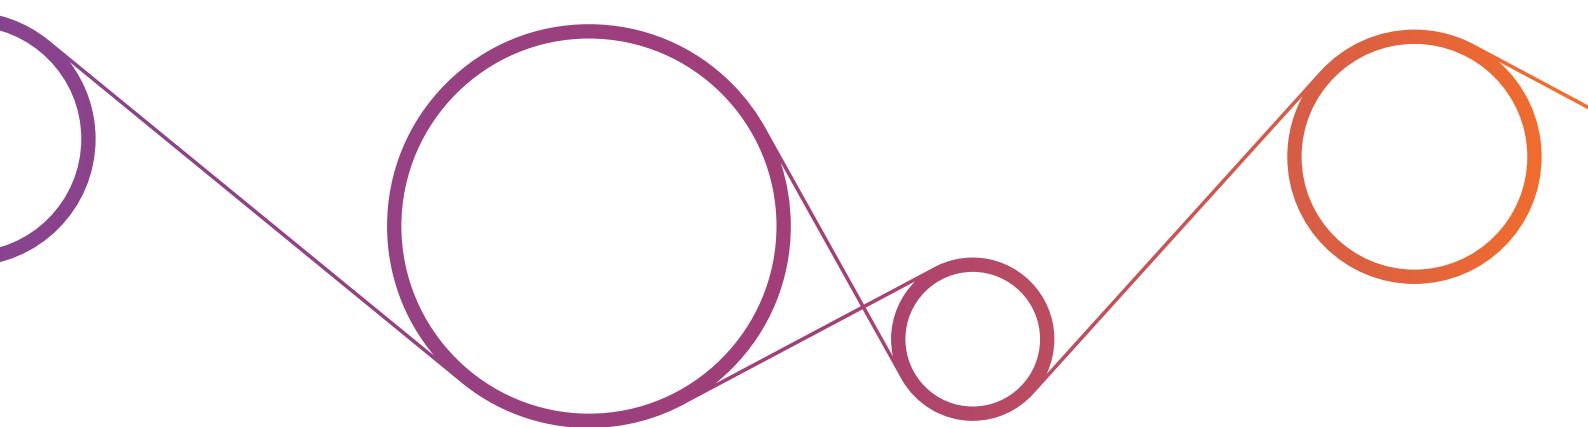

Our experts optimize fuel purchasing, manage market volatility, negotiate pricing, and ensure timely delivery, allowing you to focus on smooth operations.

## Bunker Price Analysis

We analyze fuel price trends to inform procurement strategies. Our team uses analytics and industry expertise to deliver reports, considering factors like geopolitical events and supply chain changes, so you can secure the best pricing.

## Bunker Quality/Quantity Survey

Our surveys verify bunker quality and quantity with detailed reports, preventing discrepancies. Skilled surveyors inspect and test to meet standards, ensuring optimal fuel for your vessels.

# SUPPLY REGIONS

- North America
- South America
- Western Europe
- Africa
- Middle East
- South Asia
- South East Asia
